

# COLLEGE OF SCIENCE AND ENGINEERING

## Student Exchange PROGRAMME

### COLLEGE INTRODUCTION

The College of Science and Engineering (CSE) benefits from an exceptional combination of integrated science and engineering facilities that enables it to bring innovative skills to teaching, learning and research.

Through the full cooperation of the various science and engineering units, the CSE achieves and maintains an interdisciplinary world that facilitates a high-standard learning environment.

The CSE is proud of the quality of its faculty, featuring local and overseas professors from all parts of the world. Numbered among the best available in terms of their qualifications and experience, these professors are dedicated to moulding a bright future for their students.

### ACADEMIC UNITS

- Department of Architecture and Civil Engineering
- Department of Chemistry
- Department of Computer Science
- Department of Electronic Engineering
- Department of Materials Science and Engineering
- Department of Mathematics
- Department of Mechanical and Biomedical Engineering
- Department of Physics
- Department of Systems Engineering and Engineering Management
- Division of Building Science and Technology

# College of Science and Engineering Student Exchange PROGRAMME

## WHO CAN APPLY?

To undertake exchange studies at CityU, students must satisfy **ALL** of the following requirements:

- Have enrolled at one of our partner universities as a full-time student for no less than one academic year.
- Meet the minimum academic "good standing" requirement at their home university.
- Meet one of the English requirements\* if English is NOT the medium of instruction at their home university:
  - TOEFL 79 (internet-based test) or above; OR
  - IELTS 6.5 or above; OR
  - Chinese Mainland's College English Test (CET) Band 6 or above.
  - Be nominated by their university's international office or unit concerned.

\*Remarks: The medium of instruction and assessment at CityU is English.

## HOW TO APPLY?

Applicants must complete the online application form and submit all the required documents in ORIGINAL copy via their home university. Direct applications will not be accepted.

Please refer to Application Information in our College website for detailed application procedures, a list of the courses to be offered in each semester, the academic calendar, immigration and visa requirements, enrolment and accommodation arrangements.

### Important dates

	Semester A (Fall Term)	Semester B (Spring Term)	Summer Term
Application Period	1 April - 1 May (online)	1 September - 15 October (online)	1 February - 1 March (Paper form)
Exchange Period	September - December	January - May	June - August

## HOW MUCH WILL IT COST?

CityU waives tuition fees for exchange students in accordance with its exchange agreements with partner institutions. However, students are required to pay the tuition and study-related fees levied by their home institution. In addition, they are also responsible for financing their travel, accommodation, living expenses, visa, insurance, books and other expenses. Excluding the accommodation, a monthly budget of around HK\$4,500 (~US\$577) should be sufficient to cover meals, transport, laundry, books, study materials and stationery.
