KOREA UNIVERSITY

Welcome to Korea University The 1st among private universities in Korea

Korea University is one of the nation's oldest and most prestigious universities. It has played a significant role in shaping Korean socially, culturally, and academically in 1905.

KU International Winter Campus The one and only winter program in Korea

KU IWC will embrace a global student body by offering the program for both international and domestic Korean students. Every student may achieve academic credits through **session 1 (3 weeks)** and/or experience Korean culture through **session 2 (2 weeks)**. Students can take either one or both sessions.

Along with the academic opportunities, like the KU Summer Program, there will be plenty of opportunities to attend fabulous events such as a fun ski trip, amusement park tour, and Nata performance. KU IWC will provide not only those one-day field trips but also general education classes such as Korean language classes in order to deepen your understanding of Korea.
